ILDS Awards:

An overview of all ILDS Award Recipients

Publication date: November 2024

ILDS Awards

One of the many benefits of ILDS Membership is the opportunity for ILDS Members to nominate their own members to be considered for one of our prestigious ILDS Awards. ILDS Members may nominate for the ILDS Certificate of Appreciation (COA) or ILDS Young Dermatologist International Achievement (YDIA) Awards. Nominated by the ILDS Board, the highest accolade the ILDS can bestow is the ILDS Medal of Achievement in Global Dermatology. Find out about all ILDS Awards and the latest recipients [here](#).

ILDS Certificate of Appreciation Award

Presented annually at a meeting of the nominating Society (where possible), the ILDS Certificate of Appreciation Awards aim to recognise dermatologists and others in the field of dermatological care who have made an outstanding contribution in either International Leadership or Humanitarian Dermatology.

ILDS Young Dermatologist International Achievement Award

The Young Dermatologist Achievement Award aims to recognise recently qualified dermatologists who have made an outstanding contribution to international dermatology, particularly for patients in under-served areas of the world. Awarded biennially and presented at either the World Congress of Dermatology or the World Skin Summit, this award is presented to 6 recipients per cycle, one from each ILDS region.

ILDS Medal of Achievement in Global Dermatology

Awarded biennially, the ILDS Medal for Achievement recognises the contribution to international dermatology of an outstanding individual. The recipient is selected by the ILDS Board and presented their award at either the World Congress of Dermatology or the World Skin Summit (depending on the year of award).
